Dear Parents of Dual Language Students:

AHISD is preparing to conduct information sessions for the lottery for the 2022-2023 First Grade Dual Language classes. Before these sessions are held, it is important to know how many Dual Language siblings are eligible for the classes. Therefore, if you have a child who is currently enrolled in kindergarten at Howard Early Childhood Center, will be an AHISD first grader in 2022-2023, and you wish to enroll him/her in the Dual Language program, **please return the enclosed form to the curriculum office no later than February 18, 2022.** Siblings of current Dual Language students will be automatically accepted into the 2022-2023 first grade class **provided the application form is received in the curriculum office no later than February 18, 2022.** **If the sibling application form is not received by February 18, 2022 and you would still like for your child to participate in either the Dual Language or Spanish Immersion program, you must participate in the lottery.**

During the 2011-2012 school year, AHISD implemented a Dual Language program for our English Language Learners as well as other English speaking students who would like to participate. **If you would like for your child to participate in the Spanish Immersion program instead of the Dual Language program next year, you must participate in the lottery for the Spanish Immersion program.** This means you must attend the information sessions for the Dual Language and Spanish Immersion programs on **Wednesday, March 23, 2022 at 5:30 p.m. or Thursday, March 24, 2022 at 9:30 a.m.** in the Howard ECC Cafeteria.

You can still turn in this form and reserve a space in the Dual Language classroom prior to the lottery since the Dual Language sibling policy affords you that opportunity. **If your child does not get selected for the Spanish Immersion Program, you will still be eligible for the Dual Language classroom space.** You will receive an email indicating receipt of this form. If you do not receive an email prior to the deadline, I recommend you contact my office at (210) 832-5954.

Again, the attached Sibling Application / Commitment form is due to the curriculum office no later than **4:30 PM on February 18, 2022** to reserve your space in the Dual Language classroom.

Thank you for your continued support of the Dual Language program. Please do not hesitate to contact your child's teacher, the campus administrators, or me with your questions or concerns.

Sincerely,

Jimmie Walker, Ed.D.
