Spanish Immersion Program Guide

AHISD Curriculum and Instruction Department

We are dedicated to the goal of providing a guaranteed and viable curriculum for all AHISD students. We believe all students deserve rigorous curriculum and engaging instruction. Our goal is to provide the leadership, resources, support and professional development necessary to lead all students to high achievement.

AHISD Administration

Dr. Dana Bashara, Superintendent of Schools

Dr. Frank Alfaro, Assistant Superintendent for Administrative Services

Dr. Jimmie Walker, Assistant Superintendent of Curriculum & Instruction

Mr. Frank Stanage IV, Assistant Superintendent of Human Resources

Dr. Yadira T Palacios, Director of Teaching and Learning

Ms. Kimberly Alexander, Junior School Academic Dean

Ms. Charlotte Dolat, High School Academic Dean

Spanish Immersion Program at AHISD

The AHISD Spanish Immersion Program is a one-way dual language educational model that is designed for English-speaking students. Foreign language immersion is an approach to teaching another language that involves immersing students in the target language throughout the school day. Teachers speak only the target language to teach academic subjects, using a wide variety of instructional strategies.

The goals of the one-way Spanish Immersion Program at AHISD are:

- To promote high academic achievement for all students
- To develop first and second language skills for bilingualism and biliteracy
- To promote cross-cultural understanding for all students

Language learning will take place primarily through content instruction in Spanish as well as initial literacy instruction. At the beginning of the program in first and second grades, students are fully immersed in the Spanish language for all instruction, and instruction in English in the area of ELA is introduced in grades three – five according to the chart found on pages 5 and 6. As students and teachers work to perform academic tasks, the students' language abilities are developed, along with their knowledge of content area subject matter.

Features of the AHISD Spanish Immersion Program:

- **Teaching Strategies for Language & Content** – cooperative learning, thematic units, hands-on materials, visual and graphic displays, language-rich environments; language comprehension strategies (repetition and rephrasing); varied opportunities for reading, writing and speaking in both English and Spanish
- **Separation of Languages by Teachers & Students** – Teachers teach for extended periods of time in one designated language and require both native speakers and second-language learners to communicate in the language of instruction to the best of their ability
- **Duration of Program** – The commitment to the program is for 5 years (Grades 1-5), however the program will continue to AHJS and AHHS
- **Family & Community Involvement** – Parental and community support is important; a serious effort will be made to ensure that students are exposed to cultural aspects of the language; families are included in school decision-making processes
- **Availability of Resources** – Classroom materials, library resources and electronic resources in both languages will be available

Adapted from *Tools for Schools – One-Way Immersion Education*, The Center for Applied Linguistics.

Research Based Spanish Immersion Program Features

Students develop high levels of proficiency in both their first language and a second language

- Dual language programs develop *additive bilingualism*; every participating student has the opportunity to gain a second language with no home language loss. This enrichment approach promotes full bilingualism and biliteracy (Lindholm-Leary, 2005).

Students' performance will be equal to or above that of their grade-level peers

- The study of a second language leads to increased cognitive development in children (Haut, 1990).
- Students in dual language programs have been shown to outperform their monolingually-educated counterparts, including students from diverse backgrounds (Collier, 1992; Genesee, 1987).

Dual language students will develop positive cross-cultural attitudes and gain an increased global awareness

- Dual language programs promote bilingualism, biliteracy, academic achievement, and multicultural awareness for all students (National Dual Language Consortium, 2010).
- It is in [dual language immersion] programs that there is the most potential for truly preparing citizens who can make highly significant contributions to their own and our global societies (Cummins, 2010)

Placing Students in the Spanish Immersion Program

INITIAL PLACEMENT in Spanish Immersion Classrooms:

In the spring of the Kindergarten year, students will be offered the opportunity to enroll in Spanish Immersion Program for their first-grade year. Should there be more interest than spaces available, a lottery system will be conducted.

Lottery System

1. In the Spring of the Kindergarten year, information is distributed about Dual Language and Spanish Immersion informational meetings. Parents of native English-speaking students who desire that their child be in the lottery must attend a publicized parent information meeting.
2. The number of lottery openings will be determined after placing Spanish Immersion class siblings of children already in the program from previous years.
3. Native English speakers must have attended Howard ECC.
4. Parents of all Spanish Immersion students must sign a commitment form stating they will attend informational meetings and commit to their child's participation through 5th grade.

Parent Commitment forms will be explained at the parent information meeting. Forms must be signed by both parents and returned to the Curriculum & Instruction Office by set and publicized deadline.

Core Content Instruction---Language of Instruction

AHISD Elementary Spanish Immersion Program Language Allocations by Content Areas

Grade	Content Instruction in Spanish	Content Instruction in English
1 st	90% Spanish All Subjects Spanish	10% English Morning Meeting English

Names and ages of younger brothers and sisters: _____

An important key to the success of children in an immersion/dual language program is a positive working relationship between the school and the home. The District will devote the time, energy and resources needed to ensure the success of the program for which he/she was selected.

As parents of immersion/ dual language students, it is important for you to make commitments also. These include:

- *Understanding that there could be a lag in the acquisition of English reading and writing skills.*
- *This becomes particularly evident in second grade when students take national achievement tests. Research validates that this lag usually disappears by fifth grade.*
- *Agreeing to read in English every night at home to establish the foundation for English reading and writing skills*
- *Remaining in the Spanish Immersion or Dual Language class throughout the elementary years—grades 1-5*
- *Being supportive and understanding of both your child and the program*
- *Understanding that there will be 24-26 students in the Spanish Immersion classes. Dual language class size will be determined based upon the number of English Language Learner enrollment (class size not to exceed 22).*

I understand the commitments necessary for a successful program and request that my child be enrolled in the program.

OTHER INSTRUCTIONAL INITIATIVES

DUAL LANGUAGE AND SPANISH IMMERSION PROGRAM(S)

GRADE LEVEL(S)

The Alamo Heights Dual Language and Spanish Immersion Program(s) begins in first grade and continues through fifth grade. Program opportunities will also be available as the students progress to grades 6---12.

STUDENT ELIGIBILITY: RESIDENCY

Participation in the AHISD Dual Language and Spanish Immersion Lottery and program(s) is only available to students who meet the AHISD residency requirements or who were in Howard Early childhood Kindergarten as tuition students.

STUDENT ELIGIBILITY: PRIORITY TO HOWARD EARLY CHILDHOOD STUDENTS

A student candidate for admission must have attended Howard Early Childhood Center for their full kindergarten year, or for the full time that they have been eligible residents of the district.

STUDENT ELIGIBILITY: ATTENDANCE AT A DUAL LANGUAGE/IMMERSION ORIENTATION SESSION

For a student to be eligible to register for the lottery, a student's parent or guardian must attend one of the Dual Language/Immersion orientation sessions held during the spring of the student's kindergarten year.

SELECTION CRITERIA

Parents of kindergarten students may apply for their children to be admitted into the Dual Language or Spanish Immersion Program. Program admission will be determined according to the procedures defined below in the enrollment and application section.

PARENTAL RESPONSIBILITY

- Keeping their child(ren) in the program class throughout the elementary grades—grades 1---5.
- Recognizing that the student will have unique opportunities and challenges and pledge to be supportive and understanding of their child and of the program goals.
- Understanding that there may be a lag in the acquisition of English reading and writing skills.
- Agreeing to read in English every night at home to establish the foundation for English reading and writing skills.
- Knowing that the class size will exceed the 22 to 1 ratio in the Spanish Immersion classes.

OTHER INSTRUCTIONAL INITIATIVES: DUAL LANGUAGE AND SPANISH IMMERSION PROGRAM(S)

The AHISD language program lottery closes officially for wait--list students after the conclusion of the Second week of school. If the class size in the Spanish Immersion classroom decreases to a number below the state maximum class size of 22:1, then students may be assessed for Spanish proficiency to determine the appropriateness of admittance into the class. Parents will need to submit a formal request for testing and students will be admitted on a first---come, first---served basis.

ADMITTANCE TO SPANISH IMMERSION PROGRAM AFTER THE CLOSE OF THE LOTTERY:

Upon placement in the class, parents will complete a program commitment form (EHBK REGULATION).

ADMITTANCE TO DUAL LANGUAGE PROGRAM AFTER THE CLOSE OF THE LOTTERY:

The AHISD language program lottery closes officially for wait--list students after the conclusion of the second week of school. If the class size in the Dual Language classroom decreases below the recommended 50% dominant English speaker ratio, then students may be assessed for Spanish proficiency to determine the appropriateness of admittance into the class. Parents will need to submit a formal request for testing and students will be admitted on a first-- come, first--served basis. Upon placement in the class, parents will complete a program commitment form (EHBK REGULATION).
